EDITOR'S CORNER

"LIFE IS TOO SHORT TO WAKE UP WITH REGRETS. SO LOVE THE PEOPLE WHO TREAT YOU RIGHT. FORGET ABOUT THOSE WHO DON'T. BELIEVE EVERYTHING HAPPENS FOR A REASON. IF YOU GET A CHANCE, TAKE IT. IF IT CHANGES YOUR LIFE, LET IT. NOBODY SAID LIFE WOULD BE EASY, THEY JUST PROMISED IT WOULD MOST LIKELY BE WORTH IT."

The HAMC has been lucky to have a variety of photographers catching our every move in 2015. At Coach's Night, we had three very different eyes for detail.

We want to thank Kevin Runge, Integrity Images, and Clay Bearden '07 for capturing all the great moments of the evening. Check out their websites to see the full collections of photos:

President's Message

The Houston A&M Club strives to provide something for everyone. Through our monthly lunches and happy hours, special events and annual traditions of Muster and Coach's Night, we offer a variety of activities for our members to enjoy. If there is something new or a new area needing support, we welcome and encourage our members to jump in and start a new event.

The success of our events is due to the hardworking volunteers of our club. Their dedication provides the support needed to coordinate the events hosted by the Houston A&M Club. We welcome every level of participation from leading an event, assisting with a committee, or simply attending. We have a number of strong leaders who continue to provide their time to carry on the mission of the Houston A&M Club, but we are always looking for fresh faces to help to sustain what has been built over the past 92 years.

The generosity of our members provides the funding for the Club's operating budget and supports our commitments to scholarship and the University. We thank you. Your contributions allow us to continue our efforts to give back to the school we think so grand.

Howdy!

Welcome to the New Houston Aggie Directory

As you've probably noticed, we've made a lot of changes to the website, newsletter, and directory over the last few years in order to better communicate with the Houston Aggies.

This year, we've decided to invest more of our money in scholarships by consolidating the directory and newsletter to save on printing and shipping costs.

In order to provide the most up-to-date information, the Houston A&M Club is working with the Association of Former Students to update the online directory. To access contact information on an Aggie, please visit www.AggieNetwork.com and click on Find an Aggie at the top of the page.

Each year the Houston A&M Club selects outstanding volunteers to honor. This year we honor individuals who support the Club's service programs, as well as an individual who supports the Club's social events.

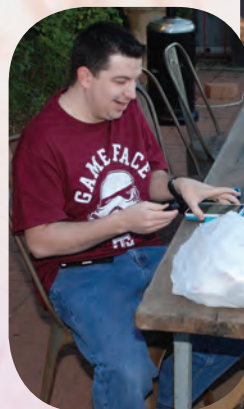

Brenda and Kristen Bearden are recognized for their longstanding service to support the Club at the Houston Food Bank. Rusty Williams is recognized for his dedication year-in and year-out to our service events. His work often goes unnoticed because it occurs behind the scenes. Whenever he is needed, he is always ready to jump in and help.

The Houston A&M Club thanks Brenda, Kristen, and Rusty for their selfless service.

Meet the Aggies of Student Bonfire

On 18 November 1907, the men of the Agricultural and Mechanical College of Texas heaped trash and debris on an empty field and lit the first Bonfire to congratulate their football team on victory. More than 100 years later, that tradition still burns, signifying (according to a 1947 Corps handbook) the Aggie's Burning Desire to BTHO t.u. and the undying flame of love that every loyal Aggie carries in his heart for the school. Today, Bonfire is championed by a dedicated group of students who strive to preserve tradition while putting safety at the forefront of all their endeavors.

Student Bonfire begins each Fall with "Cut," where student crews go out and cut down more than 2000 trees using nothing but hand axes. Cut trees then swamped, loaded, and unloaded onto trucks by hand. Cut is followed the three week "Stack," where the logs are stacked in the iconic wedding cake design.

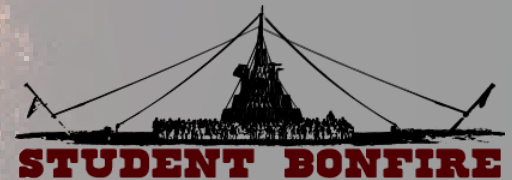

It's that design that has changed significantly over the years, making Student Bonfire more stable than it's ever been. The logs are now cut into lengths of 32', 25', 20', 15', and 10', so as they are stacked, the same five tiers are created, but each log touches the ground. Another structural safeguard is the use of a superset, a high strength wire that is wrapped around the entire stack, for each additional 3 feet of radius moved from Centerpole. "Windle Sticks," four poles set 8 feet away from Centerpole and structurally bound together by a steel cross member forms a basic foundation and adds strength to the stack.

Each year, Bonfire cultivates leaders and a generations-spanning kinship between students of any origin. Bonfire is about being a part of something bigger than yourself. Every log that goes on Bonfire is Cut, Swamped, Loaded, Unloaded, and Stacked by hand by students. This long and arduous process is the Bonfire-building Aggies' gift to Aggieland and to their fellow Aggies. Without the participant asking anything in return, Bonfire rewards the Bonfire-motivated beyond measure.

Consider becoming a Friend of the Fire.

As a wholly independent organization, Student Bonfire must raise money each year to fund building and burn, including safety equipment, site leases and licenses, permits, trucks, tractors, fuel, logging chain, cables, wires, ropes, and other rigging.

Student Bonfire is a tax-exempt non-profit corporation, recognized under IRC § 501(c)(3), so donations may be eligible for deduction as charitable contributions. For more information about how you can help fuel the Burning Desire, please contact Donny Olmos: donny.olmos@studentbonfire.com or call/text 830-515-3344.

We Made It! Meet CAMP's First Graduate

Nine years ago, several Aggies had a dream to socially mentor students in Houston's disadvantaged schools, hoping to keep them in school, out of gangs, and thinking about college and the future. The idea was simple: to pair Aggie volunteers with students in the third grade one Saturday each month during the school year to do something fun. The volunteers would stay with these students until they graduated from high school ten years later, helping them grow by instilling A&M's core values - Loyalty, Integrity, Excellence, Leadership, Selfless Service, and Respect. Many said it couldn't be done. Many said it was too big of a commitment. Many said the group would face too many challenges. But this May, Yancey Elguezabal proved the many wrong when she graduated early from Academy of Choice and was accepted to college.

Yancey wanted to apply to Texas A&M, but because she graduated early, she missed the application deadline, as she was considered a junior and ineligible until too late. Not to be deterred, Yancey applied to Texas A&M Galveston, but it was not to be right now. So, she's starting her college career at HCC, with English, Biology, Education, and Piano, but will be applying to TAMU each semester until she gets in.

Yancey is the middle child of Maricela and Homero, owners of KYA Wrecker Services, named for older brother Keven, Yancey, and younger brother Alan.

Her parents work together, driving a truck and running the business. Keven is following in his dad's footsteps, obsessed with cars and mechanics. Alan is a self-taught firearms expert, taking Yancey to the range to teach her, all the while obsessing over her safety. Yancey is the studious one, heart set on being a heart surgeon and letting nothing get in her way.

As a young student, Yancey loved school, but struggled a lot, watching her friends in gifted and talent programs, while she struggled just to keep up with the basics. Her struggles led to her selection for the newly created CAMP program at Treasure Forest Elementary, a place where Yancey finally felt she belonged. "I was so excited," Yancey recalls, "someone wanted me." And Yancey has made the most of it.

As a third grader, Yancey quickly bonded with the group leaders, Freddie Wong '69, Sammie Williams '68, but she always felt a special connection with Lisa Buckner '84. "She's amazing!" So it's not surprising that as Yancey prepared to leave the CAMP program as an eleventh grader, she spent her last hours mentoring the new group of third graders on their first trip, her favorite.

Yancey and her family joined Freddie Wong '69 and Lisa Buckner '84 at Muster, where Sammy Williams '68 gave the keynote address.

Yancey vividly recalls her first CAMP trip – nine years ago – to a Houston Dynamo game. It was her first time in a stadium and they sat in the very front, but the best part was that the Dynamo won! To this day, she likes to root for the winning team. But Yancey's favorite trip is to Freddie's Farm, where this self-professed city girl gets to spend time in wide open spaces, "with no traffic and no honking," just "lots of land with little houses in the middle." Yancey says: "I fell in love with it the first time we went out there. The last time was for an egg hunt with the third graders we were mentoring."

On the bus trip out to the farm, one third grader, Gabby, never stopped talking to Yancey about school, her friends, and even her favorite food. “She reminded me of me at that age.” They really connected and spent most of the day together. But it’s not all fun and games; sometimes even the bravest are tested. Before the egg hunt started, Gabby was playing on the tractor when the door shut on her fingers. She was inconsolable, but even though it broke her heart, Yancey kept trying, talking to her to distract her while they iced her swollen fingers and eventually coaxing her to hunt for eggs (Gabby found several, Yancey found none) by tricking her into singing *Let it Go* from *Frozen*.

And we haven’t seen the last of this amazing young lady. She very much wants to be an Aggie and plans to continue volunteering

with CAMP. When asked how

she went from being a slow learner struggling with school to a top student graduating early just because she joined the CAMP program, Yancey speaks with the eloquence of someone much more experienced, stating simply: “I’m part of this. I don’t want to let them down.” And as she embarks on her new college journey, she laughs: “When I think back to my childhood, these are my memories.”

CAMP CHEF

In 2012, we introduced the Houston Aggies to a special CAMP student Bryan Sandoval, who dreamed of becoming an amazing cook like his mom. Encouraging Bryan to dream bigger, Outstanding Houston Aggie Michael Cordua introduced Bryan to the secret world of Artista's award-winning kitchen. Now, here's the rest of the story...

In May, Bryan invited his mom and CAMP founder Freddie Wong to enjoy the fruits of his labor. Bryan has been participating in the Culinary Arts program at The Guthrie Center, a joint project of Spring Branch ISD and The Art Institute of Houston that encompasses the fundamentals of cooking, the science of baking, food service management, production skills and sanitation procedures. Guest chefs help the students develop and refine their creative sides and master the steps of recipe development and event planning. At the end of the year, they showed off their skills.

Bryan is part of the 11th grade CAMP program and will be graduating next Spring. His teacher praised Bryan for his passion, considering him to be one of her top students. The Houston Aggies are proud to call him one of our own.

Whether you are looking for a job, looking for a customer, looking for an employee, or just want to hang out, this is your place to belong. And the speakers are really interesting, too! So come for the good food and stay for the great conversation.

Afraid you won't know anyone there? Bring a friend! These Reveille Club lunches, sponsored by Houston Aggie Women, are OPEN TO ALL – men and women, Aggies and Non-Aggies – anyone needing a little boost. This is networking at its best!

Can't find a friend to bring? Don't worry! In a room full of friendly Aggies, you're bound to find a conversation to join. And with our wide range of class years, you'll probably find someone with an Aggie Ring just like yours.

How are Networking Skills like our Brains? Use 'em or Lose 'em!
