HOUSTONAGGIE

Houston's Aggieland Connection

The Houston A&M Club is the largest association of former students in the world. HAMC is run by volunteers and funded entirely by donations. Please ask your employer about matching your contributions to the Houston A&M Club.

Membership is **FREE**, but registration is required each year to ensure that our records remain current.

The HAMC is a tax-exempt, non-profit organization recognized under section 501(c)(3). Our Federal Tax ID# is 76-015741.

Houston Aggie, P.O. Box 27382, Houston, Texas 77227-7382
www.HoustonAgs.org

The Houston Aggie Magazine, published four times per year (in March, June, September, and December), is the official publication of the HAMC and is free to all members. Opinions expressed are not necessarily those of the HAMC or the editor. Content may not be reprinted without the permission of the editor.

Submissions are encouraged and should pertain to news/information relevant to Houston Aggies. Send to:

Houston Aggie, c/o Deborah Lawson '92
P.O. Box 940082, Houston, Texas 77094-7082
deborahlawson@aggienetwork.com

Submissions may be edited for length, grammar, accuracy, or for any other reason. Articles may also appear on the HAMC's website. Please contact the editor for additional information, including deadlines.

For information on advertising in the Houston Aggie, please contact Elizabeth Hamburg '07 at **elizabethhamburg@aggienetwork.com**.

Because the Houston Aggie Magazine is sent via bulk mail, it is not forwarded or returned. Please remember to update your address on the website: www.HoustonAgs.org.

President's Corner

Howdy!

It's hard to believe it's already the third quarter of 2016, and football season is here!

I want to start off by saying a huge **THANK YOU** to everyone who attended, volunteered, or donated at our Coach's Night on July 29th. We had another successful event, raising money for scholarships to help current and future Aggies attend the school we hold so dear.

I would be remiss not to mention my endless gratitude to siblings Dana '91, Todd '93 and John '01 Randolph for their tireless work putting together an amazing evening. It's not easy hosting 800 of your favorite Aggies, but dinner was great, and everyone enjoyed hearing Coach Sumlin speak about the upcoming season.

I encourage each of you to continue to attend our upcoming events, volunteer as you feel called, and as you wind up your year, donate so that we can continue to provide scholarships to new Aggies from the Houston area. Be on the look out for game watch locations, Yell Practice in City Centre, Happy Hours at local bars and Athena Gun Club, lunches around town, and other special events that are coming up later this year. I look forward to seeing you!

Thanks and gig 'em!

*Deceased

Each year, the Houston A&M Club selects a former student of Texas A&M University, living in the greater Houston area, who best exemplifies those characteristics to which all Aggies aspire: love of and service to the school; service to the community, state and nation; and an outstanding contribution to a profession or industry.

Until his death late last year, Pete was arguably the HAMC's oldest living active member. He was the HAMC President in 1989, one of the founding members of the Reveille Club, and 26 year golf

tournament namesake. Each Thursday, he joined us for breakfast and reminded us that it's ok to say "I don't do nothin'!" Pete will live forever in our hearts and on the silver screen in *We've Never Been Licked*.

Each year the Houston A&M Club honors members who go above and beyond to ensure that the HAMC accomplishes its mission to provide financial aid to Houston area students attending Texas A&M University; support Texas A&M University's colleges, departments, and student organizations; and make a positive difference for Aggies in the Houston community. Since 2007, the HAMC has honored two volunteers each year: one who dedicates time to the HAMC's continued success and one who dedicates time to our community outreach.

Congratulations to Sean Rooney '03!

Sean Rooney '03, practicing attorney and father of 4 (including twins!), has often stepped up at Coach's Night, Muster, Recruiting Party, and anywhere else he is needed, distinguishing himself as the go-to guy in challenging situations. But perhaps his most notable accomplishment is the coordination of venue, food, volunteers, and all logistics for Houston's Largest Aggie Tailgate when thousands of Aggies showed up to help the Aggies BTHO the Arizona State Sun Devils at NRG Stadium. Sean hosted them all, winning HEB's Tailgater of the Game for the HAMC.

Congratulations to the Volunteers who turned CAMP kids into GRADUATES!

In 2006, a few Aggies had the idea to mentor students at Title I schools through graduation. They were introduced to a hoard of 3rd graders, and through ups and downs, thick and thin, a group of them persevered and made it to graduation. That's 10 years of dedication to the success of CAMP! And if that isn't enough, these dedicated volunteers have endowed scholarships to help these amazing kids attend Texas A&M. The first one starts this fall!

Since November 2005, a dedicated group of Aggie volunteers has worked to implement C.A.M.P., the Caring Aggie Mentoring Project. C.A.M.P.'s mission is to mentor children as they develop through school and inspire them to pursue higher education by reinforcing

excellent academic standards; building confidence and leadership skills; providing fun, life-enriching experiences; and role modeling qualities of success. C.A.M.P. students are not required - or even expected - to attend Texas A&M, but it is one possible outcome that volunteers can't help but recommend.

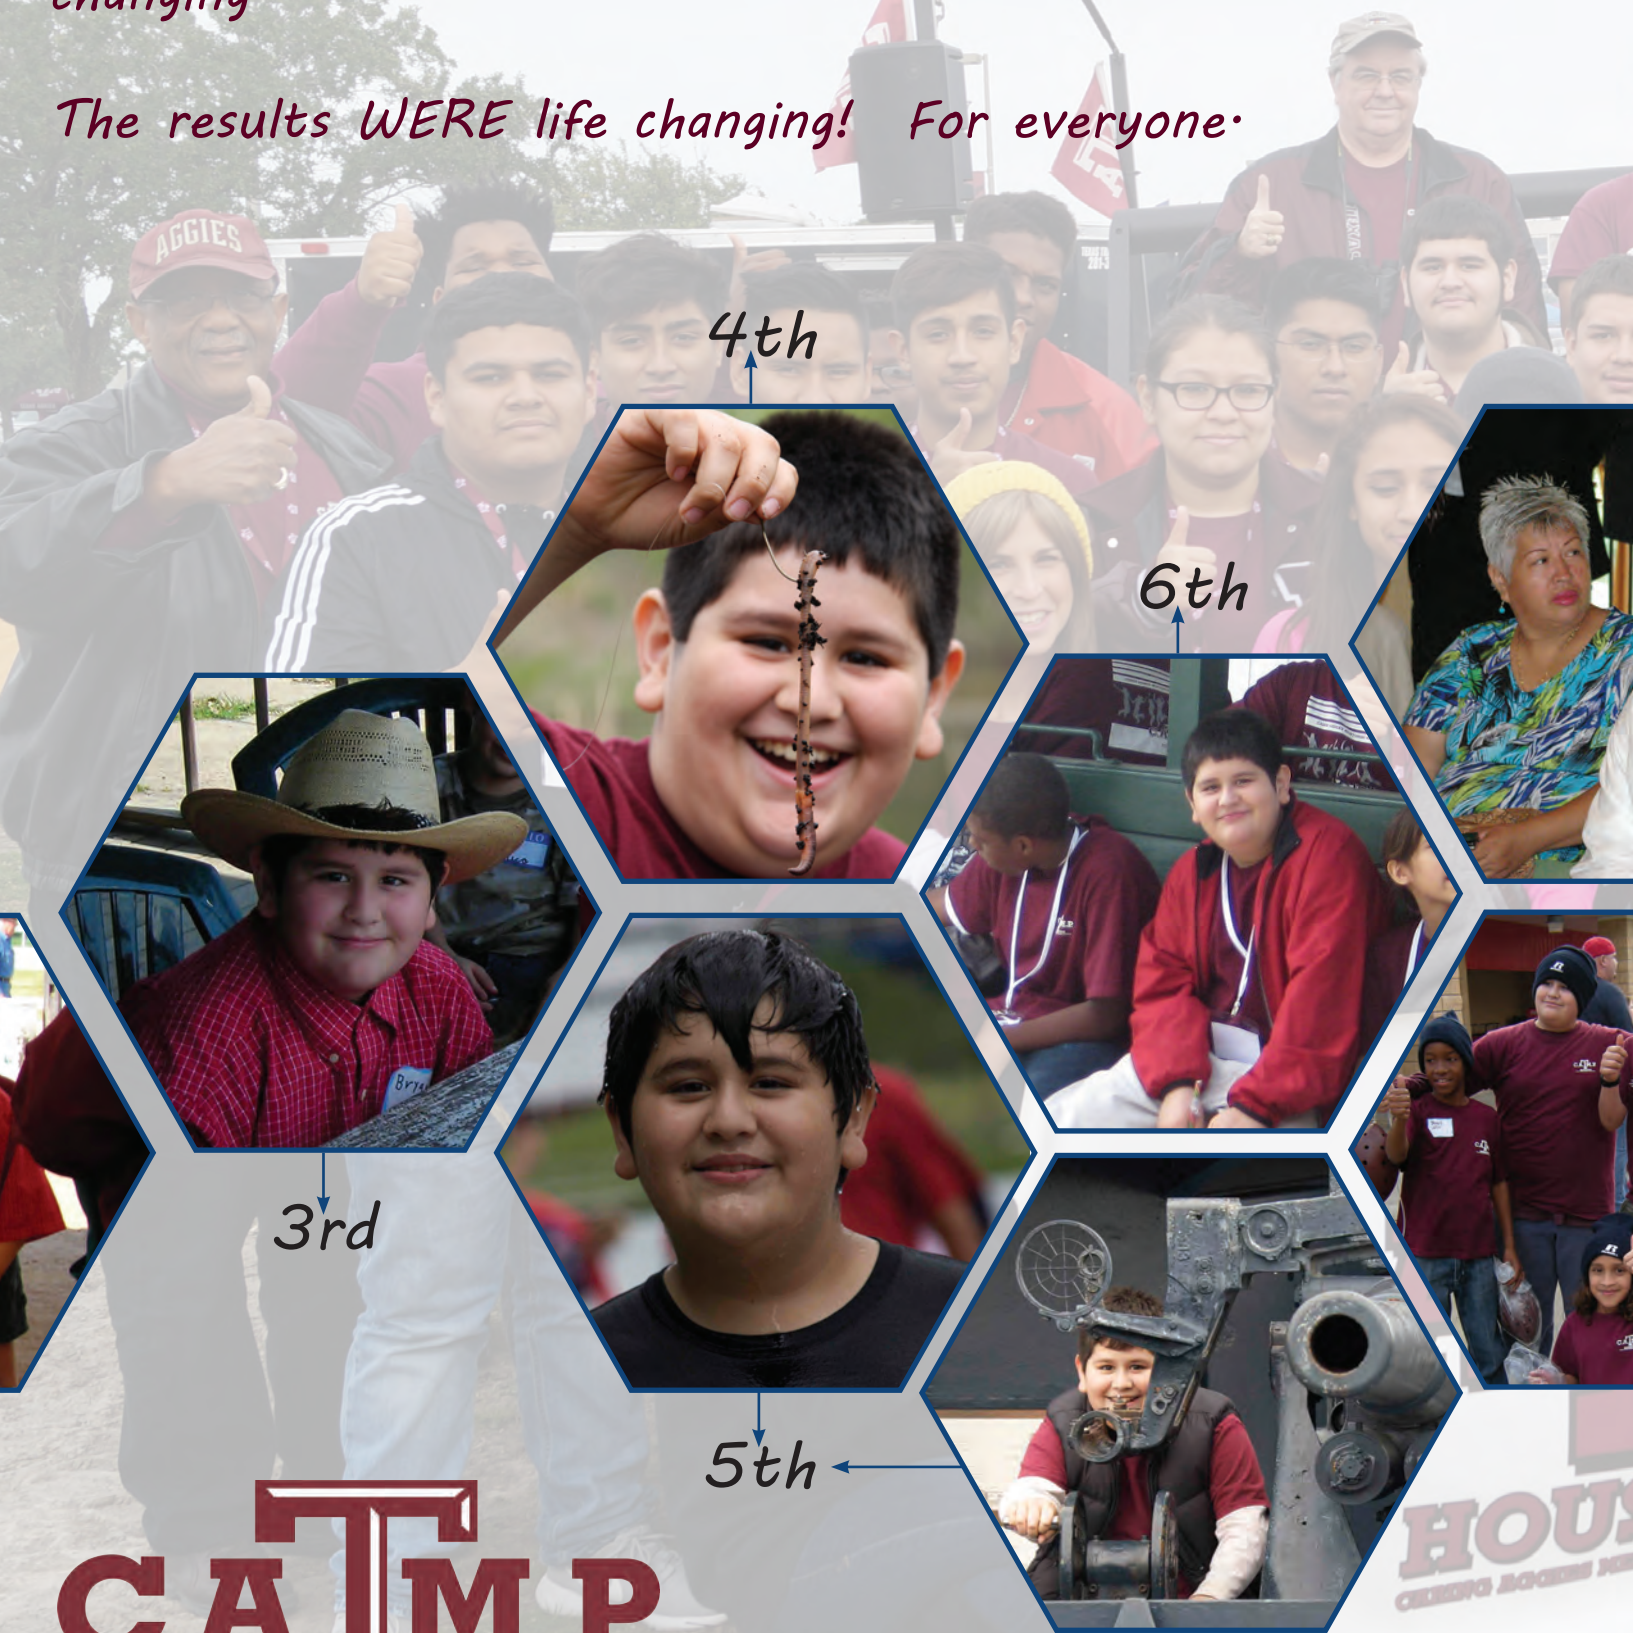

C.A.M.P. is not intended to tutor students, but rather provides one fun weekend activity each month during the school year. These events range from attending professional sports games, to trips to the zoo or the beach, campus visits to Texas A&M, and the ever popular visit to a working ranch.

Each year, about twenty volunteers host each of C.A.M.P.'s activities. New volunteers are assigned to a third grade class and, if all goes as planned, they'll stay with those students until they graduate. This year marks the culmination of C.A.M.P.'s initial vision. The 3rd graders who we met in 2006 have graduated. And at least one of them will benefit from a C.A.M.P. scholarship endowed with the Texas A&M Foundation.

Imagine what could happen if you took a group of 3rd graders, introduced them to a group of Aggies, and let their imaginations run wild. The results could be life changing.

The results WERE life changing! For everyone.

In Memoriam

<i>We stood a little taller,</i>	<i>with our brothers of the past</i>
<i>and a little prouder then</i>	<i>To make our final resting place at</i>
<i>When we heard the call of Muster</i>	<i>Aggieland our last.</i>
<i>and the Roll Call just begin.</i>	<i>We take a toast to our brotherhood</i>
<i>We stood there all together</i>	<i>wherever they may roam.</i>
<i>and wiped away the tears</i>	<i>For us the trek is over</i>
<i>When our names were called out softly</i>	<i>Aggieland we're coming home.</i>
<i>and answered with a "Here!"</i>	
<i>... and so we've joined together</i>	<i>by Lt. Col. David Harrigan '68</i>

Step Out with Kristen Wright '14

Growing up with her grandparents in Houston, Kristen Wright '14 had a unique view of life. "They gave me the world and opened my eyes to all the things I could do in my life." Kristen excelled at school, and attended a career-oriented high school in Spring ISD, following a different path from most teens, studying veterinary medicine. It was only after her personal weight triumph that she found her true love: Food and Nutrition, which led her to Texas A&M.

Texas A&M has always held a special place in Kristen's heart. She fell in love with the traditions the first time she stepped on campus with her uncle, Mikel Wright '01. "I knew from that moment, A&M was exactly where I was supposed to be."

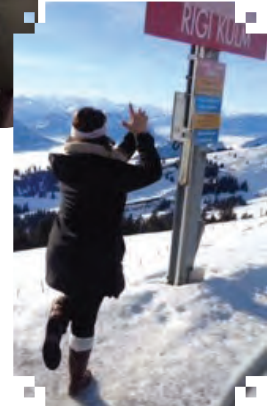

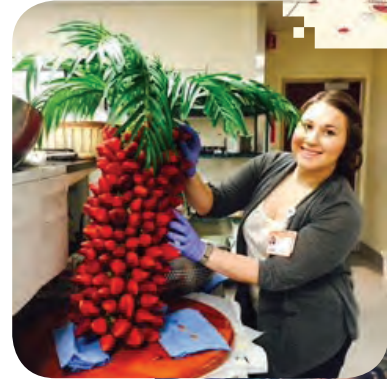

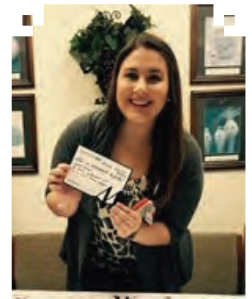

In the fall of 2012, Kristen finally become a part of something bigger than herself – she was an Aggie. As a transfer student, the first few semesters where an adjustment, but she soon made friends and found a long-buried passion for nutrition. But her time at A&M was up to soon and, before she knew it, she received her Aggie ring and walked the stage to receive a Bachelor of Science in Nutrition, dreaming of becoming a Registered Dietitian.

Kristen recently completed an accreditation dietetic internship through Aramark Healthcare, passed her RD exam - WHOOP! - and is a registered dietitian volunteering with the American Diabetes Association. Her goal? To become a certified diabetes educator.

Kristen knew right away that the ADA was where she belonged. "Diabetes is a disease effecting so many people around the country. Nearly 30 million people battle diabetes every day, and every 23 seconds someone new is diagnosed. Diabetes causes more deaths a year than breast cancer and AIDS combined." Kristen's personal family struggles with diabetes and her work with the ADA introduced her to the Step Out Walk and EXPO. "We can stand up and help teach the world how to prevent, or live with, diabetes, while still maintaining a good quality of life."

Kristen invites the Houston Aggies to join her for Houston's upcoming walk and expo on September 10th. For more information: stepout.diabetes.org.

2016 Dean's Roundtable

For 25 years, the College of Education and Human Development has been honoring individuals who have made a positive impact on the lives of students throughout Texas at their Dean's Roundtable. This year, the HAMC honored Rachelle Killian and Cherie Kocurek, teachers who have made an indelible imprint on the lives of their students, inspiring them to excel beyond self-imposed boundaries.

June Scobee Rodgers '83, widow of Challenger Space Shuttle Commander Richard "Dick" Scobee, spoke to the honorees. June continues the crew's educational mission through "Challenger Center," which fosters a new generation of "star challengers" – young people who will reach for the stars no matter their circumstances.

Rachelle Killian is a woman wearing many hats: step-mother, wife, friend, co-worker, author and, most importantly, teacher. After graduating from the University of Central Florida with a bachelor's degree in early childhood education and a master's in special education, Rachelle moved to Texas

to become a special education teacher because "too many people see these students for what they are NOT capable of doing. I see them for what they ARE capable of doing and refuse to strive for less than their best."

Rachelle has a passion for teaching that she was born with, and she's making a difference every day. "I call my students "my kids" because in our year together, they aren't just kids on my class list, they become a part of my heart!"

In her 30+ years in the classroom, Cherald "Cherie" Ellis Kocurek, better known as Ms. K, has taught everyone from Pre-K to University, with teaching certifications in Theatre, Speech, English, History, and Gifted & Talented/Advanced Placement. At least 5 of her students have professional theatre careers, and others have become a Professor of Islamic Studies, an Intern for President Obama's White House staff, and a cardio-thoracic surgeon. After finally retiring, Ms. K returned to teaching as a "favorite sub," despite claiming "math teachers worry that I believe 'x always equals nine.'"

Her favorite topic is her family. And even though she claims to have ridden a dinosaur named Steggie to school, uphill, both ways, in the snow, Ms. K plans to live a long life, enjoying all the things that make life interesting.
